

~ We don't sell breeding rights.

~ **We don't sell or deliver to Hawaii, Alaska or outside the contiguous United States**

We provide information about kittens, including prices, only when kittens are posted, after 7 weeks old or when we feel they are ready for adoption. **Kittens will be released to go home at 10-14 weeks of age or when we feel they are ready. The "go home" date will be indicated when they are posted on this page for reserve.**

1. **To reserve**, click on the "Buy Now" button below the kitten of your choice.
2. **Deposits are non-transferrable** to another kitten so choose carefully before reserving and placing a deposit! If you change your mind about purchasing a kitten that you reserved, please note; we do not hold deposits for a later litter, therefore your deposit will be lost.
3. If you are unable to take delivery of your kitten within two weeks of the "go home" date indicated when kittens are posted, wait to reserve a kitten from a different litter when you can take prompt delivery. **IF YOU DO NOT CONTACT US TO CONFIRM DELIVERY WITHIN 10 DAYS OF DEPOSIT, KITTEN WILL BE REPOSTED FOR SALE AND DEPOSIT WILL BE FORFEITED.**
4. **Deposit** for a pet is \$260 and **is non-refundable**
5. **After you've made your deposit**, we'll update our website as soon as possible showing your kitten is reserved for you. Your PayPal receipt is your immediate proof the kitten is reserved. Should someone else try to place a deposit on your kitten, they will receive a message "your item sold out." This means the kitten has been reserved for you and they will not be able to process the transaction. Therefore, no one else will be able to reserve your kitten after you've placed a deposit. We'll be in touch with you by email within 3 days to confirm receipt of deposit, provide information about the care of your kitten and provide delivery date, time and location.
6. Spay and neuter is not included in the price of the kitten. Age appropriate vaccine and dewormings are included in the price of the kitten.
7. **Payments:** When placing a deposit for a kitten using your credit or debit card, no processing fee will be charged. Please see our "**make a payment**" page for complete payment details for final and delivery payment. We do not accept personal checks or echecks.
8. **Delivery:** Please visit our "Delivery" page for complete information.
